

COMMUNIQUE ON OUR NEW PLATFORM OF INTERNET BANKING SERVICES

With further reference our Communiqué of 07.08.2017, we are pleased to announce that we have since upgraded to a new version of Internet Banking Software into a robust platform since 11.08.2017, in order to roll out new functionalities in future and to strengthen the security features of the system.

You can continue to access the new system through the same address i.e. <https://www.onlinesbiglobal.com> and the user id and password for retail users will remain same as that of old system. However, for Corporate users new login ID format is changed to CorporateID.UserID.

The new version not only gives the user a refreshing look and feel experience, but also has better navigation and personalization features.

We have made all out efforts to provide a seamless transition from old system to new system. However, if any of our esteemed customers experience any difficulty relating to the new system, please feel free to call our Customer Care No. at (230) 210 8809 or 800 2009. You can also call your Branch Heads or Relationship Managers.

In case you still have a problems, please feel free to escalate the matters on 52929282, 529522379 or 52583978.
